Board of Directors Meeting
December 6, 2022
Online, Asynchronously

Present: Directors Allen Hollander, Diana Griffin, Maura Scanlon

The Board voted unanimously to renew our Master Insurance Policy (effective January 13)

The annual premium will increase from \$18,524 to \$21,001 (Starting January 13)

Our broker explained that “this increase is solely due to the building limit increase. With growing costs in construction and materials it is necessary to keep an adequate building limit to better protect the association.” Also, that CAU (the underwriter) is a superior company and their rate is competitive.

Respectfully submitted by
