

Long Hill Estates at Peterborough, a Condominium
100 Long Hill Road
Peterborough, NH 03458

Board of Directors Meeting
September 14, 2022
Online, Asynchronously

Present: Allen Hollander, Diana Griffin

The BOD noted that the dumpster door has repeatedly been either left open by residents, or pried open by animals, resulting in garbage strewn outside the container.

Allen reached out to Monadnock Disposal Service for advice. Since they cannot provide a similar sized (and cost) dumpster without side doors, MDS recommended we lock or seal the side doors.

The BOD voted unanimously to have the side doors sealed. Residents can place their bagged trash inside the container by lifting the top lid (as we have previously done)

Respectfully submitted by
Allen Hollander, Director
