

Long Hill Estates Board of Directors Meeting  
September 1, 2018

The Board met at 9:00 am at Unit #32. Present were Diana Griffin, Maura Scanlon, Allen Hollander, and JW (our landscape contractor).

The Board expressed the Association's concern to JW regarding lack of maintenance of berms, beds and shrubs over this Spring and Summer. JW apologized and admitted that the weather had pushed his schedule back – and then he couldn't find competent help to get caught up. He had assumed he could handle it without hiring, but then couldn't.

JW assured the Board that he would attack all our beds, berms and shrubs (adjacent to our units) in the coming week. When asked how confident he felt that this situation won't be repeated next year, he said 100%.

JW will also attend to stump removal this month as directed by the Board.

The Board will have apple trees pruned before Spring.

The Board also discussed plans for an Octoberfest Association lawn party. Notice will be made public in the coming days.

Meeting adjourned: 9:45 am.

Respectfully submitted by  
Allen Hollander
