

Long Hill Estates Board of Directors Meeting
November 16, 2021
Online, asynchronously

Present: Allen Hollander, Diana Griffin, Maura Scanlon

After consideration, the Board voted to use Sterling Business Services as our bookkeeper. Marilyn Britton will continue on as our Treasurer and be our liaison with them.

We expect that bank to bank electronic transfers (regarding monthly fees) will be possible, and the Board will inform owners when they will have the option of making monthly deposits that way. There is no timeline yet as to when to expect that to happen .

Respectfully submitted by
Allen Hollander
