

LONG HILL ESTATES AT PETERBOROUGH  
BOARD MINUTES  
OCTOBER 8,2004

Liam Kelly, George Austermann, Jane Morrissey

BY CONSENSUS: adopted the amendment to Policy Resolution #03/04 as follows:

Change title to: "ALLOWABLE VEHICLE SIZE"

Add the following: "This does not mean that vehicles of a size that fit in the garage with the garage door closed must be kept in the garage. It defines the size of vehicles that may be kept on the property. A vehicle that fits in the garage with the door closed is okay to have at Long Hill, either in or out. Only lettered vehicles must be kept in the garage. Lettered vehicles used by service personnel engaged by unit owners may be kept outside while the work is being performed."
