

Long Hill Estates Board of Directors Meeting  
November 13, 2021  
Online, asynchronously, over a few days

Present: Allen Hollander, Diana Griffin, Maura Scanlon

The Board approved the action of supporting our ailing landscaper/snow removal contractor JW. It was decided to give him \$100 a month, for six months, as a means of showing the LHE community's care and support for him as he endures a challenging healthcare crisis.

This will be entered as gift in our expenses, and be included in the miscellaneous line item in our P&L.

Respectfully submitted by  
Allen Hollander
